The Perfect Abode

EV Homes is Proud to Announce the Launch of Navi Mumbai's
Most Awaited Project by India's Most Trusted Developer
"9 Square"

is an Iconic Project Aimed at Transforming the Navi Mumbai
Skyline

New York Themed Architecture, World Class Amenities,
Superb Location, Elite Demography and Highest Structural Value
are what defines
"EV 9 Square"

"EV 9 Square draws inspiration from the iconic Times Square, one of the busiest and most visited tourist spots globally.

Like its muse, EV 9 Square is designed to be at the heart of all the action, boasting high street retail boulevards reminiscent of those around Times Square.

It embodies the dynamic energy of New York City, making it a truly vibrant and captivating place to live."

"EV 9 Square harmoniously merges the dynamic spirit of New York's Times Square with the allure of Vashi, Navi Mumbai. Positioned akin to a central square, EV 9 Square thrives as a bustling urban center, offering a lifestyle of high-energy living. However, diverging from Times Square's towering skyscrapers, EV 9 Square's architecture mirrors Vashi's modern elegance, seamlessly blending into its environment while exuding luxury and refinement. This unique fusion of New York's vibrancy and Vashi's sophistication creates a cosmopolitan yet inviting ambiance, making EV 9 Square an ideal place to call home."
